| 3 | | |  | | | | |
| 4 | | | |  | | | |
| 5 | | | | |  | | |

CRANE-WINLOSS.CDR - 03-24-17

Place score for team 1 first in the box matching the team they played. Then reverse for the opposing team.
 Ex: Team 1 plays Team 5. On line 1 place the score for each set under box 5 with team 1's score first. Then go to line 5 and place the scores under box 1 with team 5's scores first. Then place a hash mark in the Win or Loss columns accordingly.
